CLAYS FOR CAMP COLE 2021

WHAT IS CAMP COLE?

Designed from the heart for children, teens, and adults facing serious illnesses, disabilities, and life challenges, Camp Cole is a **fully accessible camp and retreat facility** located just outside Columbia, South Carolina.

At Camp Cole, campers will have the chance to go horseback riding, swim in our zero-entry pool, enjoy our waterfront by fishing, canoeing, and kayaking, and much more!

We are currently finishing construction on Camp Cole. In June of 2021, we will open our doors to our first group of campers. This summer, our dream of creating an *inclusive* and *life-changing* camp will become a reality.
